College compare with those of the clerk of the Central College as given below

	Clerk of the Mah. College	Clerk of the Central College
University standing	B A Vernacular Branch	F A
Age	26	21
Commencement of service	1 November 1891	15 March 1894

Under each of the above heads the claims of the Clerk of the Maharaja's College are superior

(2) It is difficult to compare the amount of clerical work in the Mysore College with that of the Central College But irrespective of the strength the strictly official correspondence in the shape of returns, duplicate bills &c must in quantity be very nearly the same for both colleges. The clerk of the Maharaja's College has to print question papers on the Cyclostyle, to write up the class registers, and to collect the fees of the B A classes, from all which work the Writer of the Central College is free

(3) The number on the rolls of the Maharaja's College on 30th June 1896 was 256, that of the Central College was 468
